Professional Data Management Services Limited

Global House, Isle of Man Business Park, Douglas, Isle of Man, IM2 2QZ

Has been assessed
by Daniel Pollard for NCC Group
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials PLUS

Scope: Professional Data Management Services Limited

Certification date: July 17th, 2017

Recommended re-assessment date: **July 16th, 2018**

Certificate no.: 4160187493143126

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
